

Winter Solstice Celebrations

Saturday 24th June 2017

Pichi Richi Park

What to Expect.

A workshop celebrating Soul.

Bringing back warmth and rejuvenation to the very core of who you are and always have been. A beautiful light, shining its glow out and around for all to see.

Celebrating the seasons, our earth and our tribal community.

Reconnecting to the beat of Mother Earth and once again walking your true footsteps on the Earth Plane.

We will experience the power within to return us whole once again, strong and fully empowered.

Using guided meditations, visualisations, sound, mantras and our intuition.

Drumming & Sound Healing to deepen the healing and wrap around our Body Mind & Soul with balance, rhythm, love and light.

We will be out in the tranquil settings of the Flinders Ranges and using the beautiful energy that is there to help with our practice.

A light supper will be provided.
