

Distance Healing With Sharon

I have been on many a personal journey discovering, learning and gaining experience in the magical world of Healing for some 19 years now.

I am a Reiki Master Teacher, Stress Management Consultant, Relaxation Therapist.

My passion for helping others work through the hiccups in life has seen a deep awareness of the Energy Systems of the Human Body and how they have great impact on our overall wellbeing.

I have come to believe we are all from the one Source or Consciousness, and by tapping into this I am able to connect with you to do the Distance Healing.

I connect with the intention of serving only your highest best interest and look forward to helping you on your path.

Soul Blessings
